

TABLETOP ROLE-PLAYING FOR A MODERN WORLD

TABLETOP RPG – A CULTURAL PHENOMENON

Tabletop Role-Playing Games started way back in our basements. And today they're hot again. Through modern, medial shows, classic role-playing games like Dungeons & Dragons, which have existed for over 40 years, are currently experiencing a new era. In those games friends tell an interactive story in which the Game Master presents the world and its challenges, while the other players assume the roles of heroes and collaborate to overcome those challenges.

COMPLEX CALCULATIONS

Yora has integrated everything you need to start and continue playing. It's this one buddy who's always by your side, who hands you everything the second you need it, who never forgets his dice and who calculates in an instant.

This one buddy who just wants you to tell a story ...
... because Role-Playing Games shouldn't be called Role-Playing Science.

**FINALLY ENJOY UNDISTRACTED ROLE-PLAYING
WHILE YORA TAKES OVER ALL THE TIRESOME WORK**

DIGITAL TABLETOP ROLE-PLAYING

INTUITIVE GEMMASTERING

NO MORE DAYS OF PREPARATION

With Yora you manage extensive lists of NPCs and items.

You equip and activate opponents for combat. Didn't remember the latest check outcomes or any other events? No problem, your mailbox takes care of that. That's how you guide a role-playing game - simply as never before.

CLEAN ADVENTURE SECTION

NO MORE TINY FONT RULEBOOKS

Are you tired of your friends getting tired? Looking for that tiny piece of information on page 24 - or was it 204? With Yora you discover fully prepared campaigns and stand-alone short adventures. You use integrated maps and clean adventure text sections. You keep track of quests and send rewards to your players - with only a click.

INTERACTIVE HERO SHEET

NO MORE COMPLEX CHARACTER CREATION

Create your own unique heroes. Level them up and improve their attributes, skills and attacks. Collect weapons, armor and items. Your stats are automatically adjusted after equipping and combat.

CONNECTED DEVICES

NO MORE ERASERS OR PENS

Send weapons, armor, loot, artworks and much more to your companions. Oh, and they will receive your check outcomes - in an instant. As Game Master you view players' character sheets and regulate their health points and other stats.

AUTOMATED DICE CHECK SYSTEM

NO MORE COMPLEX CALCULATIONS

Find out what your hero achieves with ready-made checks for attributes, skills or combat. Make your storytelling unique with a lot of adjustments – simple and entertaining at the same time.

START WHEREVER YOU WANT

NO MORE DUSTY BASEMENTS

Wherever you and your friends go, just grab your mobile devices and get started right there. Yes, even in a tavern ... Yora is made for explorers who are looking for spontaneous adventures - wherever they go.

START FOR FREE

NO MORE SPENDING MONEY TO START

Are you tired of investing money in things you never tested? The Yora App and the first adventure are completely free. You just dive in and enjoy your free ride to find out if you want to face the challenges of a memorable journey - sounds fair?

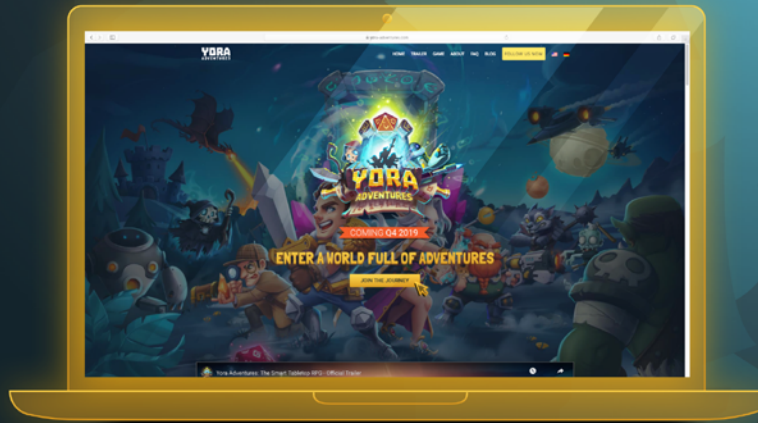

ALL YOU NEED IS IN YOUR POCKET

NO MORE STUFFY TABLE

Do you know this one guy in each group who always forgets his stuff when things are about to get real? No more excuses, mister. Yora offers an integrated rule system with all the necessary features. From now on everything is at your fingertips - finally enjoy undistracted role-playing.

DIGITAL TABLETOP ROLE-PLAYING

Portal to your own stories.

With Yora you travel through portals into exciting worlds full of adventures. Create characters and become the heroes of your own stories, in which only imagination is the limit. With your friends you'll explore secret places, solve tricky riddles, and fight dark threats. One of you opens the portals and guides the other players through your missions. For completed quests you'll receive epic rewards to upgrade your hero. Maybe one day you'll be ready to face even the challenges that lie behind the darkest portals ...

Everything you need to start playing.

Yora uses a specially developed rule system, adapted for intuitive, digital use. Game Masters use integrated maps, clean adventure text sections, simple NPC handling and more. Players will be able to create their own hero on the go, level them up and improve their attributes, skills and attacks. They can even collect weapons, armor, items and send them to their fellow players. Dice checks are performed in an instant. No more calculation needed when it comes to cinematic showdowns on the battlefield.

Ready for your first adventure?

The time has come to summon the adventurer in you. Download the app for free and enter the portals today!
